## The European Researchers' Network Working on Second Victims

### MISSION

To develop and share scientific knowledge, facilitate and promote discussions regarding evidence, legislation, policies and practices concerning the occurrence of adverse events in healthcare organizations to help to create and implement joint efforts to support second victims.

To introduce an open dialogue among stakeholders about the consequences of the second victim phenomenon based on a cross-national collaboration that integrates different disciplines and approaches, including legal, scientific, educational, professional, and socio-economic perspectives.
